About Me

I am a first-year Bachelor of Science in Information Systems (BSIS) student with a strong interest in frontend web development and software development. I am currently building my skills in JavaScript and web technologies while balancing my academic studies. I am highly motivated, self-disciplined, and eager to learn through hands-on practice and real-world projects. My goal is to continuously improve my technical skills, gain practical experience, and grow into a competent and reliable developer.
